Fairweather's

Ladies' Hats

For the between times—just after Winter weather and just before Spring — the plain Fedora, the Crush hat, the neat Soft hat, is just the most sensible and serviceable thing for a lady to don.

We're showing a splendid lot of them in the newest English and American shapes and shades. Exclusive designs, every one of them, and quality guaranteed the highest. Ultra Stylish, but not extreme. A collection that will appeal to any lady seeking the "Not how cheap, but how good."
